LY-CO-KI-WE TRAIL SYSTEM

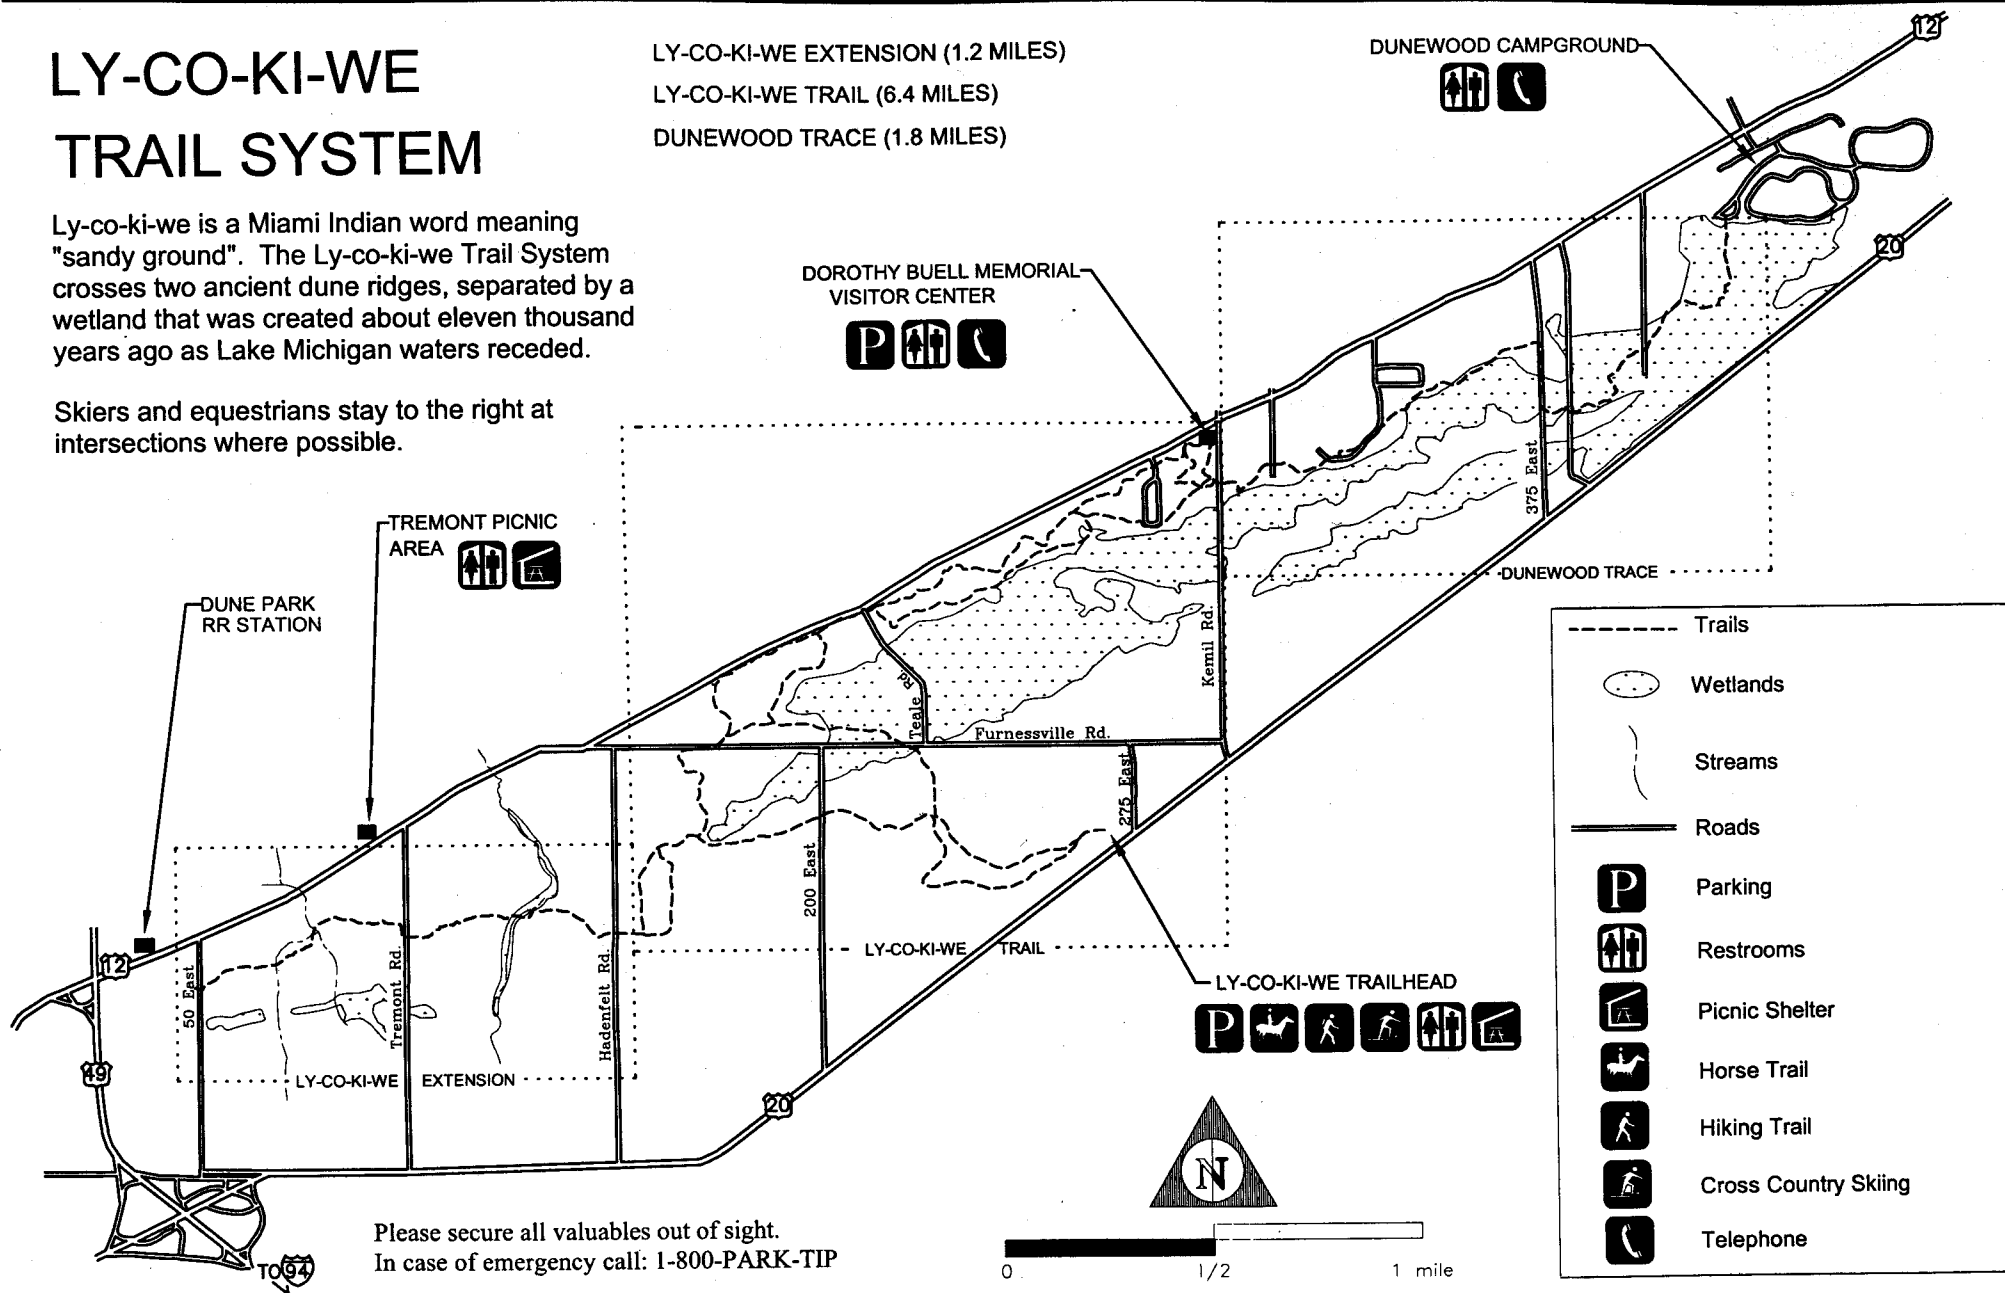

Ly-co-ki-we is a Miami Indian word meaning "sandy ground". The Ly-co-ki-we Trail System crosses two ancient dune ridges, separated by a wetland that was created about eleven thousand years ago as Lake Michigan waters receded.

Skiers and equestrians stay to the right at intersections where possible.

LY-CO-KI-WE EXTENSION (1.2 MILES)

LY-CO-KI-WE TRAIL (6.4 MILES)

DUNEWOOD TRACE (1.8 MILES)

Please secure all valuables out of sight.

LY-CO-KI-WE TRAIL

The Ly-co-ki-we Trail, with loops ranging from 1-6.4 miles and two additional extensions, can be used for hiking and cross-country skiing. The complete trail system is shown on the back of this form.

Horseback riding is permitted from March 16 to December 14. Please stay on designated trails and leave wildflowers and animal habitats undisturbed. Skiers and equestrians stay to the right at intersections where possible.
